

RESOLUTION NO. 2017-06**BOROUGH OF HUGHESVILLE****A Resolution of the Borough of Hughesville, Lycoming County, Pennsylvania**

WHEREAS, the Borough Council of the Borough of Hughesville previously adopted Ordinance 2016-7 regarding sidewalks within the Borough of Hughesville; and

WHEREAS, Ordinance 2016-7 provided for the Borough Council to set by Resolution the specifications for sidewalks within the Borough of Hughesville; and

WHEREAS, the Borough Council desires to adopt new specifications concerning the construction of sidewalks within the Borough of Hughesville; and

WHEREAS, the Borough Council desires to replace any and all prior specifications for sidewalks and replace them with the specifications contained within this Resolution; and

NOW, THEREFORE, BE IT RESOLVED, that the Borough Council of the Borough of Hughesville hereby resolves as follows: Effective January 1, 2018, the following sidewalk specifications must be utilized within the Borough of Hughesville for sidewalk construction until such time as modified by future resolution of the Borough Council of the Borough of Hughesville:

Sidewalk Construction Specifications

All sidewalks constructed within the public right of way or on private property with approval of the borough council shall be constructed in accordance with the following specifications:

Width – All sidewalks shall be a uniform width to meet the existing walks unless otherwise authorized by the Borough.

Slope – The sidewalk shall slope toward the curb or edge of street pavement at a rate of one-eighth inch per foot plus or minus a sixteenth inch per foot.

Line and grade – All sidewalks shall conform to alignment and grade as approved by the Borough.

Utilities – Water valve boxes, manholes, sewer caps. Etc. that fall within the sidewalk shall be protected during construction and shall be set flush with the finished grade of the sidewalk. Roof drains shall be extended under sidewalks and through curbs to the street.
